### PART 4 - PRIVACY NOTICE SECTION FOR ALL PERMIT APPLICATIONS

#### Privacy notice:

'Personal information' means any information or opinion about an identified individual or an individual who is reasonably identifiable.

The collection of personal information by HQPlantations on this form is for the purposes of assessing your application for a permit and subsequent payment of the permit fees if your permit application is granted. If you do not provide the relevant personal information requested in this form, we will not be able to process your application.

Permits are issued by HQPlantations as a delegate of the Chief Executive of the *Forestry Act 1959* (Qld). HQPlantations may disclose your personal information to the Chief Executive as part of its reporting obligations under the Plantation Licence granted to HQPlantations under that Act. Personal information may also be disclosed to other Australian Government agencies, persons or organisations where it is for a purpose related to this application or any subsequent permit (e.g. to process payment of the permit fees) or if HQPlantations believes it is reasonably necessary for an enforcement related activity conducted by an enforcement body, provided the disclosure is consistent with the *Privacy Act 1988* (Cth) and all other relevant laws. It is unlikely to be disclosed overseas.

Personal information will be used and stored in accordance with HQPlantations' Privacy Policy and the Australian Privacy Principles.

For further information, to learn how to access or correct personal information or make a complaint, please refer to HQPlantations' Privacy Policy on our website at: <https://www.hqplantations.com.au>.

### PART 5 - GENERAL PERMIT CONDITIONS

1. Reference to a statute includes all regulations under and amendments to that statute whether by subsequent statute or otherwise and a statute passed in substitution for the statute or incorporating any of its provisions.
2. REGISTRATION REQUIREMENTS  
The vehicle(s) covered by a Permit must be fully registered and roadworthy under the *Transport Operations (Road Use Management - Vehicle Registration) Regulation 2010* for use on public roads. All vehicles must have comprehensive motor vehicle insurance (that extends to third party property insurance).
3. LICENCE REQUIREMENTS  
A person must not drive or ride a motor driven vehicle into or over the Permit Area pursuant to this Permit unless the person

is the holder of a current drivers licence (excluding a learners permit) under the *Transport Operations (Road Use Management - Driver Licensing) Regulation 2010* applicable to that class of vehicle.

#### 4. ROAD RULES REQUIREMENTS

Any person driving a vehicle within the Permit Area must comply with the *Transport Operations (Road Use Management - Road Rules) Regulation 2009*, including:

- a. Drive in a manner appropriate for the current road conditions and consistent with the reasonable demands of safety, having regard to the road width, surface conditions, visibility, grade, traction, weather conditions and other forest users.
- b. Comply with the requirement of any notice regulating the speed, movement or parking of the vehicle.
- c. Keep as close as practicable to the left boundary of any road .
- d. At all times comply with the direction of a HQPlantations Pty Ltd (HQPlantations) officer, employee or agent in regard to the use, operation, movement or parking of the vehicle.

#### 5. AVOID ROAD DAMAGE

Notwithstanding the currency of this Permit, the Permittee must not use forestry roads in a manner or at such times (e.g. during periods of wet weather) when such use would cause unreasonable damage to the road surface. For the purpose of this condition, the term "unreasonable damage" means damage caused to the surface of a forestry road by any agency, of a nature which would require extensive works to facilitate proper drainage of water off the surface of that road or safe passage of any vehicle or person along it.

#### 6. REMAIN ON FORMED ROADS

The Permittee, in having access to or using the Permit Area by a vehicle pursuant to this permit must only use the route as agreed to by HQPlantations on formed roads only. In connection with access to or use of the Permit Area, the Permittee shall ensure that any gates encountered are left either open or closed as they are found, unless otherwise directed by a HQPlantations officer, employee or agent.

#### 7. COMPLIANCE WITH FORESTRY ACTS AND REGULATIONS

The use of the Permit Area for the activity authorised by this permit is subject to the provisions of the *Forestry Act 1959* and *Forestry Regulations 1998* relevant to the use of the Permit Area including these conditions and provisions relating to the use of fire, littering, damage to property and forest products, and behaviour.

#### 8. COMPLIANCE WITH SIGNAGE

The Permittee and participants must at all times comply with any direction contained in or given by a sign or notice erected, placed or displayed on the Permit Area.

### 9. COMPLIANCE WITH DIRECTIONS

The Permittee and participants must at all times comply with any direction given by a HQPlantations officer, employee or agent in regard to the use of the Permit Area by the Permittee or the participants where such direction is necessary to maintain the good order of the Permit Area, protect HQPlantations assets or maintain the safety of any person using same.

### 10. CANCELLATION

HQPlantations reserves the right to cancel this Permit, verbally or in writing, or vary any condition of the Permit at any time prior to or during the event if, in HQPlantations' opinion, continuation of the event under the existing conditions of the Permit was or is likely to result in unacceptable risk to any person or damage to any property, or a breach of the Forestry Act 1959 or any condition of the Permit.

### 11. PROMOTION, EDUCATION AND INTERPRETATION

The Permittee must at all times comply with any direction of HQPlantations regarding the promotional, interpretive or educational use made of or services provided on the Permit Area in relation to this Permit necessary to ensure that such uses or services are consistent with the management objectives of the Permit Area and the purposes for which the Permit is granted.

### 12. COMPENSATION FOR DAMAGE

The Permittee must pay the amount of all costs and expenses incurred by HQPlantations in repairing or making good any damage occasioned to the Permit Area where such damage has occurred as a result of or in connection with the activities of the Permittee and participants on the Permit Area.

### 13. NON-EXCLUSIVE RIGHTS

The Permittee shall have only such rights in relation to the Permit Area as are specifically granted by the Permit and nothing in the Permit is to be construed as granting an exclusive right of way over, exclusive use of, or any estate or interest in the Permit Area or in any manner limiting the power of HQPlantations to manage the Permit Area.

### 14. NON-TRANSFERABLE

The rights and benefits granted by this Permit are personal to the Permittee and are incapable of assignment or transfer in whole or part to any other person, it being acknowledged by the Permittee (if a company) that any change in the principle shareholding altering the effective control of the Permittee shall constitute an assignment of this Permit. The Permittee shall not pledge or in any way charge the rights and benefits granted by this Permit in whole or part to any person.

### 15. INSPECTIONS

HQPlantations and/or the Permittee may insist on a joint inspection by agents of the Permittee and a representative of HQPlantations before and after the event in particular cases where damage is considered likely.

### 16. AMENDMENTS

Amendments to the specification as detailed in Schedule A of this Permit may be requested by the Permittee in writing and may be approved by the HQPlantations at HQPlantations' discretion in writing.

### 17. PAYMENT

The Permittee must pay to HQPlantations such fees as are prescribed in the *Forestry Regulation 1998* for the issue of a Organised Event Permit. Any amount payable to HQPlantations to cover the cost of repairs is in addition to such permit fees.

### 18. NO WARRANTY

HQPlantations does not warrant or guarantee that the whole or any part of the Permit Area will at all times be available and suitable for use for the purposes for which this permit is issued, and the Permittee acknowledges that HQPlantations will not be liable to compensate the Permittee for any loss incurred as a result of any such unavailability or unsuitability of the Permit Area.

### 19. MISLEADING REPRESENTATION

The Permittee must not in the exercise of its rights under this Permit represent the Permittee as an employee or agent of HQPlantations or nor shall the Permittee suffer such representations to be made.

### 20. ACCIDENT AND BREACH REPORTING

The Permittee must inform a HQPlantations officer, employee or agent of the occurrence and details of any accident involving injury to persons or damage to property (including livestock) or of any breach of this Permit or the provisions of the *Forestry Act 1959* or *Forestry Regulation 1998* arising from the use of the Permit Area under the authority of this Permit as soon as possible following occurrence of such accident or breach.

### 21. RESPONSIBILITY

The Permittee is responsible for the use of vehicles by the employees, members and/or agents of the Permittee within the Permit Area.

## PART 6 - INSURANCE AND INDEMNITY

### 1. The Permittee:

- a. indemnifies; and
- b. releases and discharges

the State of Queensland (the "State"), HQPlantations and their respective officers, employees and agents from and against all actions, proceedings, claims, demands, costs, losses, damages, liability and expenses which may be brought against, or made upon the State, HQPlantations or any of their respective officers, employees or agents or which the State, HQPlantations or any of their respective officers, employees or agents may pay, sustain or be put to by reason of, or in consequence of, or in connection with this Permit and the occupation and use of

- the Permit Area by the Permittee or any Participant, except to the extent of any unlawful act of the State, HQPlantations or their respective officers, employees or agents.
2. The Permittee must report all incidents involving death or injury to any person to HQPlantations. Incident involving death or serious injury (involving hospitalisation) must be reported to HQPlantations immediately. All other injuries and incidents must be reported the next business day.
  3. The Permittee (if an incorporated entity or group) must take out and maintain for the duration of this permit an insurance policy ("the insurance policy") that includes public liability cover of not less than twenty million dollars (\$20,000,000), or other amount as specified by HQPlantations, in respect of the death of or injury to any person, or the loss of or damage to any property (including any area managed by HQPlantations), arising out of or in connection with the Permittee's activities pursuant to this Permit. The insurance policy must cover the Participants (including all invitees, employees, contractors, agents, members or customers of the Permittee) and name HQPlantations and the State of Queensland as interested parties.
  4. The Permittee must provide a copy of the insurance policy, and a copy of the certificate of currency of the insurance policy, to HQPlantations when required by HQPlantations.
  5. HQPlantations may suspend or cancel this permit if the Permittee fails to comply with the obligations in condition 26 or 27.
- d. Ensure that an emergency plan for the Permittee's activity is in place as serious emergencies including fire, flooding etc may occur at any time.
2. The Permittee or the authorised representative must ensure all participants, spectators and other visitors to the event are made aware of the health and safety requirements for the event (in particular, hazards identified through the Permittee's risk assessment process) and:
    - a. are encouraged to undertake the Plantation Safety Induction in order to understand the hazards known by HQPlantations to be found on HQPlantations estates and the types of controls that can be put in place to eliminate or reduce any risks;
    - b. are made aware of the health and safety requirements for the permitted activities (in particular, hazards identified through the Permittee's risk assessment process);
    - c. take reasonable care that their acts or omissions do not adversely affect the health and safety of themselves and others;
    - d. are aware of the environment around them so they can identify any potential hazards;
    - e. follow all HQPlantations safety signage, as these signs are there for their safety;
    - f. comply with instructions/safety directions of HQPlantations personnel, as they are trying to eliminate potential safety risks;
    - g. never enter an active worksite such as harvesting, haulage, road construction and planting trees as they have high risks;
    - h. do not smoke on any of HQPlantations estate, as fire is a critical risk to them, other persons and the estate;
    - i. have the right PPE footwear, clothing and other resources (e.g. water) for the activity as there are many hazards on the estate such as insects, snakes and spiders, wasps, bees and ants wild, feral and other dangerous animals including horses, kangaroos, rough surfaces, poisonous plants and high temperatures; and
    - j. notify HQPlantations of any hazards they identify and the occurrence of any safety event.

### PART 7 - PERMITTEE HEALTH & SAFETY

1. The Permittee or, if the Permittee is a company, the authorised representative, must:
  - a. Ensure the permitted activities are carried out in accordance with the *Work Health & Safety Act 2011 (Qld)* and *Work Health and Safety Regulation 2011 (Qld)*, any other applicable health and safety legislation and any relevant health and safety standards and codes of practice.
  - b. Undertake HQPlantations' on-line Plantation Safety Induction in order to understand the hazards known by HQPlantations to be found on HQPlantations estates and the types of controls that can be put in place to eliminate or reduce any risks.
  - c. In consultation with HQPlantations and any relevant person(s) who may be affected by the permitted activities, carry out a risk assessment of the area on the plantation estate where the Permittee will be carrying on the permitted activities so as to identify any hazards that may cause harm to the Permittee or others and put in place controls to eliminate or reduce any risks arising from the hazards; and

HQPlantations online Plantation Safety Induction can be accessed via the Staying Safe page on HQPlantations website using the following link: <https://www.hqplantations.com.au/staying-safe>.

### PART 8 - FEE SCHEDULE
